WINDERMERE AGENTS HELPING BUILD DREAMS ONE HOME AT A TIME

LAGUNA BEACH, CA (August 18, 2011) Windermere Southern California agents are noted for their support of community services and projects. Agents give freely of their time, effort and money to countless community organizations where they work, live and play, and Windermere Foundation contributes a percentage of every real estate transaction to a fund distributed to local organizations in each community. On July 21, representatives of The Windermere Foundation were on hand to present a \$1500 contribution to Habitat for Humanity's Orange County Huntington Beach Project. The campaign, 'Realtors® Building Brighter Futures', raised \$50K for materials to construct homes for two qualified Huntington Beach families. "Windermere truly loves bringing people and homes together. There is nothing more fulfilling," says Bob Deville, co-owner, Windermere Southern California. "This is something very close to our hearts."
